There being no objection, the Senate proceeded to consider the bill.

Mr. MANSFIELD. Mr. President, I ask unanimous consent that the text of the Senate bill, as it has proceeded to third reading, be substituted for the text of the House-passed bill, H.R.: 17070, and that the House-passed bill with the sub-stituted text proceed to third reading and that the Senate proceed to final passage on that bill as amended.

The PRESIDING OFFICER (Mr) MONTOYA). Without objection, all after the enacting clause in H.R. 17070 will be stricken and the Senate approved language; language; namely, the committee amendment as aniended, will be substituted therefor.

# PROGRAM

Mr. MANSFIELD. Mr. President, in response to the question that was raised by the distinguished minority leader, it is the intention of the joint leadership to lay down Calendar No. 987, the Interior appropriation bill, at the conclusion of morning business today. It will be taken up after certain remarks have been made by certain Senators who have special orders for later this morning.

Incidentally, the Senate will come in at 9 o'clock this morning. But before there are any ooh's and ah's, let me explain the rest of it.

Following the Interior appropriation bill, it is expected that we will take up Calendar No. 878, having to do with consumer products, and hopefully—very hopefully—Calendar Nos. 524 and 925, bills S. 26 and S. 27, having to do with certain Utah recreation areas.

It is my understanding that somewhere along in the middle of the afternoon the conference report on the District of Columoia appropriation bill will be taken up for consideration.

We should, all things being equal, quit at a ressonable hour today, if this program is attended to as anticipated. It will be the suggestion of the joint leader slip that the Senate meet at 9 o'clock or Thursday morning next, but only for & pro forma meeting-no business on that day; and the Senate will then return at 12 noon on Monday next.

The order of business then, as of now, will be the Independent Offices apprepriation bill, to be followed by the agricultural appropriation bills. Both will have some discussion attached to them; then, hopefully, the Alaska native claims bill, and the Defense Production Act, and the Gulf of Tonkin repeal resolution.

That is about it.

6/30/20

Mr. SCOTT. Mr. President, I want to thank the distinguished majority leader and suggest that on Thursday, we probably will not go through the formality of calling a quorum.

The PRESIDING OFFICER. The question is on third reading of the bill, H.R. 17070.

The bill, H.R. 17070, was read the third time.

The PRESIDING OFFICER. The bill having been read the third time, the question is, Shall the bill pass?

Mr. McGEE. Mr. President, I have agreed previously to yield to the dis-tinguished Senator from Alaska for 1 minute.

# THREATS TO U.S. SENATORS

Mr. GRAVEL, Mr. President, I wish to inform the Senate of an urgent matter which has come to my attention, and I hope that all Senators will bear with me for a few moments, because I feel that they should know what is going on.

I hold in my hand a transcript of a recorded telephone message which has actually been made public. Of course, it will be made public by my statement here.

If Senators will bear with me. I shall read it:

read it:

Hello. I am Dr. William Pierce, with the National Socialist White Peoples Party.

Well, Mr. Nixon kept his promise and withdrew all our troops from Cambodia, even before they had a chance to finish the job they were sent there to do. All our generals told us they needed more time to thoroughly clean the Reds out of Cambodia. But the Reds in our own Senate were squawking so loudiy in our own Senate were squawking so loudly that Nixon, always the compromiser, agreed to pull our men out.

As any honest military man will tell you, there is only one way to fight a war, and that is with the uncompromising determination to destroy the enemy, to inflict a total defeat on him. If you aren't ready and willing to do that, then you damned well better not go to

But Mr. Nixon is not a soldier; he's a politician. He doesn't want to be an extremist. He wants to keep everybody happy. He He wants to keep everybody nappy, he wants to pull us all together, he says—the pinks together with the patriots. The result can only be the half measures, the indecisions and the restrictions on the use of our weapons that have characterized the whole Viet-

When It is all over, 50,000 young Americans

When it is all over, 50,000 young Americans will have been killed for nothing—for nothing—because we won't have really settled anything. We won't really have wen a war. And the reason, in addition to Nixon's complete lack of spine, the reason will be treason!

And just as there is only one way to fight a war, there is only one way to deal with a traitor. You don't bargain with him or vote against him in the next election, you kill him. McGovern, Fuloright, Entheid—the whole rotten bunch, needs a built right between the eyes.
